**TO ALL MEMBERS AND PATRONS**

**Sub: NSC's National Safety Calendar 2017**

**Dear Sir(s),**

NSC has been promoting a voluntary movement on safety, health and environment in the country for more than 50 years. The National Safety Calendar brought out by NSC for creating awareness about hazards, dangerous practices and corrective measures plays a key role in building a preventive culture amongst workers and others.

You will be happy to know that the National Safety Calendar 2017 being brought out by NSC (for the 38<sup>th</sup> consecutive year) would depict important topical aspects of safety, fire prevention and environment protection in industry, road safety and home based situations & socio-economic conditions prevalent in our country through cartoons by a well known artist. As in the previous years, the Calendar 2017 will also include an information sheet on '**Fire Safety – Do's & Don'ts**'.

The Safety Calendar-2017 will be printed on Art paper to enhance its quality. Also, the printing will be on both the sides to reduce the number of pages and thereby reduce the impact on environment.

The Calendar details along-with the Order Form with rates, terms and conditions printed overleaf are enclosed. Kindly place your firm order immediately by returning the Order Form duly filled in along with full advance payment. You may **avail the special discount of 9% by placing order for 300 or more Calendars with full advance payment before 30<sup>th</sup> September, 2016.** The **last date** for accepting all other orders is **31<sup>st</sup> October, 2016.**
